***CPT II codes** which are eligible for our AmeriHealth Caritas VIP Care Healthcare Effectiveness Data and Information Set (HEDIS) Provider Incentive Program. This program provides compensation for reporting nonpayable CPT II codes, which help to satisfy HEDIS measures. To participate in the program, submit a claim for the eligible services you provided to an AmeriHealth Caritas VIP Care member with the appropriate CPT II codes by following your normal claim submission process. **It is that easy!** AmeriHealth Caritas VIP Care is excited about our provider incentive program and will work with your practice, so you can maximize your revenue while providing quality and cost-effective care to our members.

If you would like more detail on the HEDIS Provider Incentive Program, please visit our website at <u>www.amerihealthcaritasvipcareplus.com</u> under Provider>Resources>Quality. If you have any questions please contact our Quality department at <u>vipqualityfl@amerihealthcaritasfl.com</u> or your Provider Network Management Account Executive. Thank you for your continued participation in our network and your commitment to our members.
